As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with different costs on every page. Be certain your gross sales copy is exactly the identical on every

page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum worth is.
