As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be certain your sales copy is precisely the same on each

page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum worth is.
