Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with different prices on every page. Make sure your gross sales copy is precisely the same on each page, and

contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum value is.
