Advertising and marketing Strategies

The key that unlocks the sales potential of your e-book is to find a single sentence that becomes your selling handle. Besides promoting your books assiduously on-line, there are a number of different methods that can make it easier to sell extra books.

One is to provide something away for free with your guide, akin to a priceless bonus item. Or bundle a number of ebooks beneath one worth, which lowers the worth for each ebook if they had been sold separately.

An efficient approach for figuring out a price is to ship out a survey to your present customers. If these customers have already purchased an e book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the new e-book, but do not embrace a price

on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Be sure your gross sales copy is strictly the similar on each page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum price is.

Ultimately, if you happen to've written a book that solves a drawback or presents a new approach, your ebook will bring in each site visitors and profits. So be sure to write that selling-handle sentence that sums up what drawback your e book solves and what the advantages of your 1013 e book will probably be to the customers who buy it.
