Do this by making a sales web page for the new e book, however do not embody a price on that page. Instead, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with different costs on each page. Ensure your gross sales copy is precisely the identical on each web page, and

includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.

Finally, when you've written a e-book that solves a problem or presents a new approach, your book will bring in both traffic and profits.
