An efficient approach for determining a worth is to send out a survey to your current customers. If these clients have already bought an book from you, ask for their opinion by way of price. Do that by making a sales page for the new e book, but don't embody a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with totally different prices on every page. Be certain your gross sales copy is strictly the identical on every

page, and consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum worth is.

Finally, for those who've written a e book that solves a problem or presents a brand new approach, your e-book will usher in both traffic and profits. So be sure you write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 1150 book can be to the customers who purchase it.
