Start at the highest price the market will bear in the largest profits, and plan to discount the ebook a variety of occasions all through the year.

Do this by making a sales web page for the brand new book, however don't embrace a price on that page. As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is strictly the same on each

page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum worth is.
