Instead, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with different prices on each page. Ensure that your sales copy is precisely the same on each page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum value is.

In the end, when you've written a e-book that solves a problem or presents a new approach, your book will usher in each traffic and profits. So make sure to write that selling-handle sentence that sums up what drawback your e-book solves and what the benefits of your 1280 book can be to the shoppers who purchase it.
