An effective method for figuring out a worth is to send out a survey to your current customers. If these customers have already bought an book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the new e book, however don't embrace a worth on that page.

As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with completely different costs on every page. Ensure that your gross sales copy is precisely the same on each page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum worth is.

In the end, should you've written a ebook that solves a problem or presents a brand new technique, your book will bring in both site visitors and profits.
