An effective approach for determining a value is to ship out a survey to your current customers. If these customers have already bought a book from you, ask for their opinion by way of price. Do that by creating a gross sales page for the brand new guide, however do not include a value on that page. Another technique is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Make certain your sales copy is exactly the same on each page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This can inform you what your optimum price is.

Ultimately, in case you've written a ebook that solves a problem or presents a brand new approach, your ebook will usher in both site visitors and profits.
