As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with different prices on every page. Be sure your gross sales copy is precisely the identical on every

web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum price is.

Finally, should you've written a ebook that solves a drawback or presents a brand new method, your ebook will bring in both visitors and profits. So be sure to write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 1482 book shall be to the customers who purchase it.
