As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with totally different prices on every page. Make sure that your sales copy is strictly the similar on each web

page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum price is.
