If you wish to see giant earnings over buyer draw, goal for an audience that is looking for simple solutions to their problems at a low price. If your book is geared toward solving one particular

drawback somewhat than general recommendation, then you may cost more. Start on the highest price the market will bear to usher in the largest income, and plan to low cost the ebook a variety of times all through the year.

Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum value is.
