Do that by making a sales web page for the new ebook, but do not embrace a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different costs on each page. Make certain your sales copy is exactly the identical on every

page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum worth is.

Finally, for those who've written a ebook that solves a problem or presents a brand new approach, your book will usher in both traffic and profits.
