It is the IDEAS which can be worthwhile! That's the way you decide the cost of your ebook.

What should I charge for my ideas?

If that is your important goal, you should aim to maintain your price on the low side. Some authors have even priced their ebooks at a revenue loss to draw a excessive variety of new customers. The key is to discover a value that maximizes your earnings and the variety of books you sell.

This is an excellent pricing strategy if you're trying to purchase long-time period customers. Long-term prospects are extraordinarily doubtless to buy from you once more and once more ? as long as the primary book they purchase is of exceptional quality and useful to the customer.

Nonetheless, if your e-book comprises priceless ? and extra importantly NEW information, references, or strategies ? then it is best to goal to price it on the high end.

After you figure out your aim, you need to work out what your audience's want is to your ebook. For example, does your book clear up a particular drawback? If it does, and solves it in a means that hasn't been written about in 100 different ebooks, you can be able to achieve high gross sales at a excessive price. If you wish to see giant profits over buyer draw, goal for an audience that is on the lookout for straightforward options to their issues at a low price. In case your ebook is aimed at solving one particular downside fairly than general advice, then you possibly can cost more. Begin on the highest price the market will bear to usher in the largest income, and plan to low cost the e-book a number of times throughout the year.

One is to present one thing away at no cost with your e-book, resembling a worthwhile bonus item. Or bundle a number of ebooks under one value, which lowers the value for every e-book in the event that they had been offered separately.

An efficient technique for figuring out a price is to send out a survey to your present customers. If these prospects have already bought an e book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the new e-book, but do not embrace a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on each page. Be certain that your gross sales copy is exactly the same

on each web page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum worth is.

Finally, in the event you've written a guide that solves a problem or presents a new method, your e book will bring in each visitors and profits.
