Do this by creating a gross sales page for the brand new book, however don't include a price on that

page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by making a number of duplicate sales pages with different prices on each page. Ensure that your gross sales copy is exactly the same on each page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum price is.
