Do this by creating a sales web page for the brand new guide, however don't embrace a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with different prices on each page. Make certain your gross sales copy is strictly the same on every web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. It will inform you what your optimum price is.
