As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Ensure your gross sales copy is strictly the similar on

each page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum price is.

Finally, should you've written a e book that solves a downside or presents a brand new approach, your guide will herald each site visitors and profits.
