Begin at the highest price the market will bear to bring in the largest profits, and plan to low cost the book a number of occasions throughout the year.

Advertising Strategies

sales and promotional material, and every time anyone asks you about your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with totally different costs on every page. Be sure that your sales copy is strictly the identical on each web page, and contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum worth is.

Finally, should you've written a e book that solves a downside or presents a new method, your book will herald both visitors and profits.
