Do this by creating a sales web page for the new e book, however don't embody a worth on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on each page. Be sure that your sales copy is strictly the identical on each web page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum price is.

Ultimately, in the event you've written a guide that solves a problem or presents a brand new method, your guide will herald each site visitors and profits.
