An efficient method for determining a value is to send out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to

price. Do that by creating a sales web page for the new e book, however do not include a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different prices on each page. Be sure that your sales copy is strictly the similar on every web page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum price is.

In the end, in case you've written a ebook that solves a drawback or presents a new technique, your e book will usher in each visitors and profits.
