Do this by creating a sales page for the brand new e-book, however don't embody a price on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with totally different costs on every page. Be certain that your gross sales copy is exactly the similar

on every web page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum worth is.

In the end, in case you've written a e book that solves a problem or presents a new method, your e-book will bring in each visitors and profits.
