Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Ensure that your gross sales copy is exactly the

identical on every page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.

In the end, if you happen to've written a e book that solves a downside or presents a brand new technique, your ebook will usher in both site visitors and profits.
