this by creating a gross sales page for the brand new guide, but don't embody a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with different costs on each page. Be certain your sales copy is strictly the similar on each page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum value is.

Ultimately, for those who've written a e-book that solves a downside or presents a brand new method, your book will usher in each visitors and profits.
