After you determine your objective, you could determine what your viewers's need is in your ebook. For example, does your book solve a specific problem? If it does, and solves it in a way that hasn't been written about in 100 other ebooks, you may be capable of obtain excessive sales at a excessive price. If your e-book solves an issue or answers questions in a new and unique means, you must price your guide as high as you possibly can go. price. Do that by making a gross sales page for the new e book, however do not include a price on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Be sure that your gross sales copy is exactly the same on every web page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum price is.

Finally, if you happen to've written a guide that solves a downside or presents a brand new method, your book will herald both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your guide solves and what the advantages of your 836 e-book will likely be to the customers who purchase it.
