price. Do this by creating a sales web page for the new guide, but do not embody a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be sure that your sales copy is exactly the identical on every web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum price is.

In the end, in the event you've written a ebook that solves a problem or presents a brand new method, your book will usher in both traffic and profits.
