As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Be sure your gross sales copy is precisely the identical on each web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum value is.
