Choosing the right value in your **Water Flow Gravity Feed Guide** ebook is without doubt one of the most critical elements of the advertising and marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the best value your viewers can afford, after which when you find your book isn't selling, you can all the time scale back the price. Earlier than you take that step, be sure you are selling your Water Flow Gravity Feed Guide book like crazy on the Internet and on websites. The value must be geared toward bringing in profits, however it is best to never overlook that value is likely one of the elements that individuals use in judging the worth of your *Water Flow Gravity Feed Guide* book ? before they buy it. So all the time start with the best price, and then launch a mega-marketing campaign.

Pricing an e book is particularly difficult as a result of ebooks are a reasonably new commodity.

Since they're digital, the worth of an ebook is as complicated as the understanding of what digital truly is to the average layperson. Which means we should take a look at ebooks in a different light with the intention to determine their actual value on this brave, new cyber world.

Let us take a look at the distinction between a e book in print and an ebook. A printed book is an object you possibly can maintain in your hand, retailer on your bookshelf, even hand down to the subsequent generation. It's priced on components such as paper stock, design and production prices, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books that have the power to alter, or probably rework, people's lives.

What do you suppose an concept is price when evaluated in opposition to the price of paper and ink?

It's the IDEAS which are invaluable! That is how you decide the price of your ebook.

What ought to I charge for my ideas?

There are all totally different formulation and methods for determining the correct price to your ebook. Let's start with honing in in your final goals.

Determine in case your goal is to get vast distribution and most exposure. This objective is geared toward drawing prospects to your online business or service, or to establishing the credibility of your reputation. If that is your important purpose, it's best to purpose to maintain your value on the low side. Some authors have even priced their ebooks at a profit loss to draw a high number of new customers. The bottom line is to find a worth that maximizes your earnings and the number of books you sell.

This is an excellent pricing strategy if you're looking to purchase lengthy-term customers. Lengthy-term prospects are extraordinarily doubtless to buy from you once more and again ? so long as the primary ebook they buy is of exceptional quality and useful to the customer.

Nonetheless, if your e-book comprises helpful ? and extra importantly NEW information, references, or strategies ? then you should purpose to price it on the excessive end.

After you determine your goal, you must work out what your audience's need is on your ebook. For example, does your e-book clear up a specific downside? If it does, and solves it in a manner that hasn't been written about in 100 different ebooks, you'll be capable of achieve excessive sales at a

excessive price. If your book solves an issue or answers questions in a new and unique way, you need to value your guide as high as you possibly can go. You will obtain larger profits this way, however usher in fewer customers. Simply make sure that the question or downside that your guide solves is one which is important and related to the majority of your market audience. In case your ideas should not widespread information, or you might be presenting a brand new approach, it is possible for you to to promote books at a high price. Simply be prepared on your competitors to undercut you on worth as quickly as they hear about your book.

Remember the fact that the above pricing strategy is temporary. Eventually, you will stop to promote books at this excessive price. So figure out prematurely how long you plan to offer your e book at this high worth, and when that point is up, change your pricing strategy.

If you want to see large profits over buyer draw, aim for an audience that is searching for easy options to their issues at a low price. If your e book is geared toward solving one particular problem relatively than basic recommendation, then you may charge more. Begin on the highest worth the market will bear to usher in the largest profits, and plan to discount the ebook a number of times throughout the year.

Advertising Strategies

The important thing that unlocks the gross sales potential of your e-book is to discover a single sentence that becomes your promoting handle. This sentence states what query or drawback your e-book solutions and the benefits your e-book can provide. Then be sure to use that sentence in each piece

of sales and promotional material, and each time anyone asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of different strategies that may allow you to promote more books.

One is to provide something away at no cost along with your e-book, equivalent to a invaluable bonus item. Or bundle several ebooks beneath one price, which lowers the worth for every ebook if they had been bought separately.

An effective approach for figuring out a value is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the new e-book, however do not embrace a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with different prices on every page. Make sure that your sales copy is strictly the identical on every page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum price is.

Finally, in the event you've written a book that solves a drawback or presents a new technique, your guide will herald each visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your e-book solves and what the benefits of your *Water Flow Gravity Feed Guide* book will likely be to the customers who buy it. After which watch your market come to you!
